

## Elementary English Quizzes

---

### Elements of a Story

Everyone enjoys a good story! A good story is not only entertaining, but it contains all the necessary elements - setting, characters, sequence, exposition, conflict, climax, and resolution. Check out this web presentation to learn about each one of these elements, so you can appropriately apply them to your own writing. Also, for practice, you will identify each element in the fairy tale, Cinderella. Go for it!

### Beginning Letters

Do you know all the letters of the alphabet? Do you know letter the word apple begins with? Complete these mini challenges and find out how much you know about letters that begin words!

[Beginning Letters](#)

### Narrative Elements: Fifth Grade

The narrative elements are crucial to defining a story. What are the narrative elements? They are character, plot, and setting! They are what you include within the story's summary and main points. Changing one of these elements changes the entire story. This activity asks you to read a series of passages and then quizzes you on how parts of each story would be different if a narrative element was changed.
